AC Area	1,514 sq. ft.
1 Car Garage	209 sq. ft.
Other Areas	59 sq. ft.
Total:	1,782 sq. ft

Shaded dimensions are measured to the exterior boundaries of the exterior walls and the centerline of exterior opening walls and in fact cover the dimensions that would be determined by using the description and details set forth in the Description which generally only includes the interior spaces. The perimeter walls and exterior exterior walls and exterior exterior walls. Note that measurements of rooms set forth in this Room are generally taken at the greatest points of width plus room use. If the room were to be perfectly rectangular, without regard for any columns, the area of the interior room will typically be greater than the product obtained by multiplying the shaded length times width.

All dimensions are approximate and may vary with actual construction, and all floor plans and development plans are subject to change.
