8962 NW 119th St,
Hialeah Gardens,
FL, 33018

This expansive 24,990 square foot vacant lot presents a rare and compelling opportunity for developers and investors alike. The property boasts significant potential for a variety of development options, subject to municipal approvals. Its generous size and convenient location offer flexibility for constructing a building, a commercial complex, or a mixed-use development. The flat topography [...]
